Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1899:

William S. Taylor.....193,714

William Goebel.....191,331

Taylor's Plurality.....2,383

THE Goebel Law is the most fitting monument that GOEBEL could have.

THE repeal of the Goebel Law by the men who have become its beneficiaries is a wanton insult to the memory of GOEBEL.

THE Emperor scarecrow is to have a prominent place in the Kansas City platform, notwithstanding its failure to stampede the Oregon voters.

THE Nebraska Banker who purchased a gold brick is in a position to sympathize with those persons who invested in the Democratic predictions of 1896.

WAR is especially distasteful to the Democratic party. In addition to the display of bravery called for it makes higher prices for the products of the American farmer.

A MISSOURI farmer lost a \$500 diamond ring the other day while engaged in feeding his chickens. During the last Democratic Administration the farmers had no diamonds to lose, and precious little feeding to do.

THOSE Democratic Editors who profess to see evidences of a secret alliance in the shipment of Missouri mules to the Transvaal must have had their intellects clouded by the manner in which the late WILLIAM H. BARNUM purchased political mules in Indiana.

THE people elect men to Congress to frame and enact laws. The two great dominant parties express their wishes as to legislation that is desired, leaving to Congress the planning of the methods. That was the case the other day at Philadelphia with reference to the need of shipping legislation.

THE danger of a foreign war is always imminent. In such an event the withdrawal of the foreign shipping from our foreign carrying now employed would seriously cripple our expanding foreign commerce. The Republican National platform did well to point this out and demand the enactment of remedial legislation.

THE Republican National platform adopted at Philadelphia did well in pointing out the danger and loss of American dependence upon the shipping of foreign Nations for the carriage of nine-tenths of our foreign commerce. This is a danger that Congress is expected to rectify early in the next session by the prompt passage of the Shipping Bill.

THOSE who expected that the Republican National platform would declare for shipping subsidies were of course disappointed. Congress may be depended upon to devise the method. It was proper for the Republicans of the Nation to declare in favor of proper legislation, as they did at Philadelphia, leaving for Congress to devise the plan.

MR. BRYAN is the owner of the greatest amount of personal property in the county in which he lives and the richest man in Lincoln, Neb. This is the record of the Assessor's books. Mr. W. R. HEARST of New York is one of the millionaires of the country. This aggregation of wealth, combination of capital, or "Trust," as it may be called, should form a strong leadership to the Democratic ticket this fall. The bunghole of the Democratic "bar" will be wide open and "free silver" should flow at the ratio of 16 dollars for 1 vote.

To Asthma Sufferers.

Lawson Elvidge of Barrington, Ill. says he was cured of chronic asthma of long standing by Foley's Honey and Tar. It gives positive relief in all cases of asthma, so this disease, when not completely cured, is robbed of all its terrors by this great remedy. Take no substitute. J. Jas. Wood & Son and Armstrong & Co.

Among the many features of this mammoth exhibition will be feats of marksmanship, introducing Buckskin Bill, who will appear at each performance, day and night, and give his wonderful exhibition of shooting from horseback at full speed, also a score of male and female crack shots of the world in plain and fancy shooting. Wild Bronchos, a herd of Buffalo and Texas Steers.

FREE STREET PARADE At 10 o'clock a. m. by Cavalrymen, Artillerymen, Cowboys, Indians and Wild Horses, Buffalo, Long-horned Texas Cattle, Overland Mail Coach, Prairie Schooner, Wagons and other relics of the West used in days gone by, all of which will be enlivened by five bands of music, led by Harry Criegler's Famous Cowboy Band.

"HEARKEN YE."

To the Voice of Maysville People.

If you will but listen to your friends and neighbors they will tell you how the pains and aches of a bad back, the annoyance of urinary troubles, the restlessness that comes from kidney ills can be relieved and cured. Read what one Maysville citizen says:

Mrs. Philip Fisk of 126 East Fifth street says:

"Our son used Doan's Kidney Pills, sold at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by backache, brick dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to the representation made for them."

For sale by all dealers; price 50 cents a box.

KENTUCKY FLASHES.

NOTHING SENSATIONAL.

Col. Jack Chinn and Several Other Witnesses Give Testimony in the Powers Trial.

Georgetown, Ky., July 17.—Nothing of a sensational nature took place at the trial of Caleb Powers. The most important witness was Col. Jack Chinn, who accompanied Senator Goebel when the latter fell, told once more the story of the assassination as he saw it, but told nothing more than he had heretofore testified to in the examining trials of Powers, Culton and others. He said his impression at the time was that the first shot was fired from the office of the secretary of state, but second shots were muffled, as if fired from back farther in the building, and he had no opinion as to where they were fired from.

Witness said he saw one of the windows on the south side of the secretary of state's office slightly raised, but he could not now say which window it was. He saw no one in the grounds or on the steps of the executive building, but believed there were a few people on the steps of the legislative building, and possibly one or two persons entering the gate in the rear of Goebel. Witness said he did not draw a pistol when the firing occurred, but admitted that he put his hand on his revolver. Did not see either Goebel or Eph Lillard or any one else draw a pistol. Ex-Gov. Brown conducted the cross-examination, which lasted some minutes, but developed nothing new.

BECKHAM IN THE L'AD.

He Has 402 Instructed Votes, and His Nearest Competitor Has Only 100.

Louisville, Ky., July 17.—The results of county conventions held throughout Kentucky Monday to select delegates to the democratic state convention at Lexington Thursday show a decided Beckham contingent.

Later returns show that Gov. Beckham will go into the convention with 619 votes, enough to nominate him on the first ballot and plenty to spare. Beckham has 462 instructed votes; Black, 100; Lewis, 99; Tarvin, none; Smith, 14; Pryor, 11; McCreary, 7, and Garnett, none.

It requires 547 votes to give the nomination, and it is believed that enough of those uninstructed are for Beckham to give him the nomination.

Saved By a Button.

Winchester, Ky., July 17.—Grant Haggard asked Will Smith for 50 cents he loaned him some time ago. Smith said he would pay as soon as he came back from an errand, and started on. Haggard then drew his pistol and fired. The ball struck a button on the waistband of Smith's pants and glanced upward, inflicting a slight wound near the spine. But for the button Smith undoubtedly would have been killed.

Granted a Writ of Error.

Frankfort, Ky., July 17.—Chief Justice Hazelrigg, of the court of appeals, granted a writ of error to the United States supreme court in the six cases of the Louisville and Jeffersonville Ferry Co. against the commonwealth. The question of the right of the state to assess such corporations for franchise tax purposes is raised.

Mrs. Lawton Greatly Shocked.

Louisville, Ky., July 17.—Mrs. Mary Lawton, widow of the late Gen. Lawton, was in a Louisville book store making a purchase of \$100 worth of books to be sent to Mrs. Lisicum at Manila, when she heard of Col. Lisicum's death in China. Mrs. Lawton was greatly shocked by the news.

Shot His Neighbor Enemy.

Louis, Ky., July 17.—Wesley Ellis shot and instantly killed Jesse Cox in Wayne county, W. Va., eight miles from here. Ellis discovered Cox on his premises and fired at him with a shotgun. They were neighbors and had long been enemies. Ellis surrendered.

Murderer Returns.

Louisville, Ky., July 17.—Charles Carter, the Negro who cut his sweetheart's throat Saturday, killing her, and escaped to Indiana, returned and surrendered, saying that he could not bear to leave Kentucky.

Sent Up for Six Years.

Lexington, Ky., July 17.—George Washington, colored, who secured the pension of another Negro of the same name, has been sentenced to six years in the federal prison.

Old Box Factory Burned.

Middlesboro, Ky., July 17.—Fire destroyed the old Middlesboro box factory and two cottages, the property of W. H. Kinnaird, of Lancaster. Loss about \$700.

After Blind Tigers.

Lancaster, Ky., July 17.—In police court 35 warrants were issued against various alleged blind-tiger dealers.

Found Dead on the Railroad.

McKinney, Ky., July 17.—James Graves, colored, aged 18, was found dead on the railroad here.

Health Officer Dead.

Paris, Ky., July 17.—Dr. John Bowen, health officer, died of kidney trouble.
